

Counting carrots

Practice counting and cutting with this print out! Use the leaves panel along the bottom of this page to carefully cut along the white lines. Next glue the correct amount to each carrot as shown here.

You could also cut
out the carrots too
then stick them on
your wall!

We had a go here!

Cutting is a great
way for your child
to practice their
pincer grip!

Leaves to cut out

love wood & play ...
