

# Bunny baskets!

Make a little bunny basket to celebrate Easter and all things spring! Print out this page then cut along the dashed line, being extra careful when cutting along the inside handles. Next colour in the basket, fold along the dotted lines then glue the areas marked "stick" together to complete your basket!

## Top tip!

Stick onto card first to make  
your bag super strong so that  
it lasts until next Spring!  
We filled ours with yummy  
mini chocolate  
eggs!

Here's some we made!
